---

Dear PRN Officers,

Beginning this month, ACCP is rolling a new and improved way to deliver PRN membership lists and financials. Each PRN's reports will be prepared and available through a link that PRN officers have access to on the PRN home page. To view this link, you can go to the Business Documents tab, and then click on the "Membership List and Financials" section.

Once there, you will have the option to filter your search by month and year you wish to access. Over the course of the next month, we'll be adding all PRN membership lists/financials dating back to November 2006. In the interim, note that the PRN's April membership lists and financials have been uploaded, and over the course of the next month you will notice additional files from previous months and years will be added. We hope having access to this historical information is helpful, particularly as PRNs begin preparing reports for their PRN Business Meeting and Networking Forums.

Please feel free to contact me if you have any questions, or if you have trouble accessing this new section of the PRN page.

Warm Regards,

**LaToya Osborn**
